We at Go Baja Riding adventure tours pride ourselves in putting you, our valued customers aboard the latest riding machinery detailed, prepped & meticulously maintained for performance & dependability. It is our responsibility to offer the best equipment possible while you are experiencing Baja off roading at it's finest with safety foremost and absolute fun second. In order for us to be able to accomplish this, we must require a damage agreement signed the following just prior to your first day on the tour with Go Baja Riding adventure tours. Thank you.

I _____ agree to pay for any and all the damages incurred to the machine I will be riding on this tour with Go Baja Riding. The \$300.00 cash deposit which I forward to Bruce Anderson, owner and guide, in the morning of my first tour day serves as a security deposit for any such damages. In the event the damages incurred upon my machine are greater, I give Bruce Anderson the right to collect the remaining balance in full by cash, check, or credit card. I will ride safely in a manor consistent with the tour rules and guild lines as set forth by Bruce Anderson and staff for the safety and protection of all parties involved. Misconduct or blatant disregard for tours rules and safety guild lines will be cause for immediate termination of ones tour.
