Riding and Driving Adventure Enthusiast,

Thank you for choosing Go Baja Riding Off Road Adventure Tours. You have taken your first step toward experiencing something that few other people will do in their lifetime. This sets you apart from the crowd!

No matter where one has ridden or traveled, there is nothing as magical as motorcycling in the Baja, Mexico peninsula. Imagine dirt trails running through forests, a vast dry lakebed, creek crossings and sand washes, **stunning coastlines**, and challenging single-track terrain. Now, at the end of your day's ride, you are relaxing with a cold margarita while swapping stories with your buddies. The scent of your **steak or seafood dinner** with beans and handmade tortillas wafts your way. Later, in a comfy bed you drift off to your best night's sleep in months... perhaps years.

If this kind of experience is for you, let us help you choose one of our all-inclusive tours that includes your lodgings (double occupancy, single supplements available), delicious food, support vehicles and crew, guides, fuel, and your motorcycle. For motorcycles, we offer the **Baja-proven Honda XR 650**, the new **CRF450X**, the **XR 250** for the smaller or less experienced riders, and now you may also drive a **Teryx Buggy** if you prefer. You may also ride your own bike at a special BYOB rate (please call for details). All are meticulously serviced and maintained, and equipped with Baja-worthy up-grades and accessories, and we look after all the important details. We offer several great ways to enjoy riding in Baja:

- **4 day or 5-day Northern Baja Loop** (\$2,150 & \$2,500), 500 and 650 miles respectively. Tour pick up and drop off in San Diego.
- **5-day Loreto Peninsula Expedition** (\$3,300), 750 miles. Tour picks up in San Diego; return home via flight home from Loreto.
- **7-day La Paz/ Cabo Super Excursion** (\$4,550), 1000 miles. Tour picks up in San Diego; return home via flight from La Paz or Cabo.
- **Off Road 2 Seat Buggy's**, for our non riding guests- double occupancy.
- **Riding Gear**- full complete gear bag is available at a cost of (\$250)

For the Loreto and La Paz trips, consider adding extra days after your ride to enjoy diving, surfing, sport fishing, or perhaps fly in the spouse or significant other for a romantic rendezvous!

We can arrange **private/ custom tours** for your riding club, company, or family. Yet even if you are part of one of our scheduled tours, you won't get some canned, cookie-cutter ride that treats everyone the same. Our specialty is matching riders appropriately, providing the right challenge for your abilities and desires, and there is even a convenient riding gear rental option available. We look forward to riding with you!-

Best Regards,

Bruce Anderson

“Every day ended with a satisfying exhaustion that was drowned by the various tales traded in between the riders at the end of the day, over the always-delicious meals at the great restaurants that are included on the tour”.

***What should I pack?**

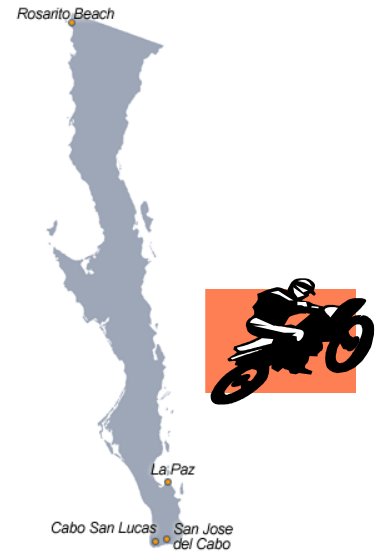

Luggage: Pack light, you will be in your riding gear everyday. T-shirts, pullovers, and jeans work everywhere in Baja. Casual shoes, even shorts and sandals are good in the early fall and spring. Swimsuits, sunscreen, lots of film, sunglasses, and a ball cap during the day is a good idea. Soft luggage works best.

***What about my motorcycle gear?**

Go Baja Riding has full custom gear available for rent, jacket not included. If you are bringing your own gear, the following full off road equipment is required for safety:

Helmet, goggles, gloves, elbow and knee guards, MX style boots, Enduro style jacket, Fanny Pack (to carry a water bottle) or Back drink system, Kidney belt is recommended, Rain suit is recommended, Goggles should have a clear lens, Gear bag to carry all your MX gear.

***Pick up in San Diego:**

This time will usually give you a chance to fly in, grab your bags and lunch, prior to your short transport south across the border, and the adventure begins!

As you know your adventure tour with "Go Baja Riding" is all-inclusive! We take care of your transportation to and from Baja Mexico, your bike, gas, hotels, and all meals (mixed drinks and beer excluded).
